Dear Rat Water,

Your Marshalls have come

my brother's property from Phoenix

and put a baseball sized hole

in a window of my brother's ^{window} while

no one was home; while I have

committed ZERO CRIME(S); \$

while I had handcuffs placed on

me without a valid and legal order,

reason, nor valid and legal law for doing

so. Your fear of me "Raging (Your

Children's Souls" in legal acts in the

court of law is your fear. Extend my

date once again for amended complaint please

(1)

became once again I am in
dress due to acts of ~~coercion~~
coercion. ~~(spelling?)~~

~~IF I am~~ Despite all my
rage, I am still just a rat
in a cage.

Sincerely,

Richard Alan Russell
